THE COLLEGE CREST

The College crest has got three elements such as a GROWING TREE, a CLIPPER and a WHEEL along with the sacred inscription “ कर्म एब धर्म ”

THE GROWING TREE stands for the uninterrupted growth of the intrinsic qualities of the students.

THE CLIPPER gives a clarion call to the students to undertake a voyage into the deep ocean of knowledge with maximum courage and fearlessness.

The Wheel symbolizes a progressive and nationalistic outlook of the students and always wishes a God spirit in their life.

On the whole, the inscription “Karma Eba Dharmam” reminds one and all about their sense of responsibility and devotion to duty round the clock.

KSHETRABASI D.A.V. COLLEGE NIRAKARPUR

A Brief History

Located only half a kilometer away from Nirakarpur Railway Station and five kilometers from Rameswar Chhak on Kolkata-Chennai National Highway, Kshetrabasi D.A. V. College stands beside the New Jagannath Road on a spacious campus spread over about 35 acres of land. The college was established on 14th July, 1959 as a product of unprecedented interest of Sj. Kshetrabasi Routray and efforts of educationist Sj. Ananda Rath and some other enthusiastic people. In July, 14th July, 1959, the Pre-University classes were started and it was recognized as a Degree College in July, 1963 with the introduction of Final B.Sc. classes. Now it is functioning as a full- fledged Degree college with an affiliated strength of 3600 students in +2 and +3 classes in Arts, Science and Commerce faculties with Honours teaching facilities, and also PG course in Odia. The college is affiliated to the C.H.S.E, Orissa and the Utkal University, Vani Vihar, Bhubaneswar.

Established as a Science College, it was the first of its kind among Non-government Colleges of Orissa. In 1966-67 it was named as "Kshetrabasi D.A.V. College" due to its association with the DAV, trust. Initially the College was housed in Kshetrabasi Academy building in Nirakarpur. The present college campus comprises the main building, the staff quarters, the library building, the N.C.C. office, the college hostel, the new U.G.C. building and the college playground. Towards the South-West is the famous hill range of 'CHITRAKUTA' which stands as the mute witness to the gradual development of the college.

The college has achieved the unique distinction of being the oldest among the Non-Government Colleges of Orissa. It has also maintained a commendable position in respect of teaching, learning and discipline due to prodigious contribution of the enterprising principals, staff and the members of Governing Body. The college is distinguished from other institutions in respect of its healthy traditions and glorious culture. The college illuminates the ideals of education and discipline. The members of the staff in all their scholastic activities seek to awaken in the students a sense of awareness of moral and spiritual values of life; so, that they may contribute to the development of body, mind and heart. In 2006, the college has been accredited 'B' by NAAC.

MODE OF ELECTIONS

The committee recommended direct elections for smaller universities like the JNU or the University of Hyderabad. It said larger universities with widespread campuses could allow individual colleges to constitute their own representative bodies, which would further elect representatives to the apex university body. The committee suggested three modes for such indirect elections.

FREQUENCY OF ELECTIONS

Elections should be held annually. They should be conducted between six to eight weeks from the start of the academic session. The entire election process, from the date of filing nomination papers, campaigning and declaration of the results, should not exceed 10 days.

ELIGIBILITY

Undergraduates between ages 17 and 22 can contest. This rule may be relaxed in professional colleges where courses range between four and five years. The maximum age limit for postgraduate and research students to contest the elections would be 24-25 years and 28 years. Although no academic criteria has been prescribed for the candidates to contest, the committee said they should not have any academic arrears in their election year. Candidates should have the minimum attendance of 75 per cent. The candidate can contest for the post of office-bearer once and twice for the post of an executive member. Candidates will not have criminal records i.e. they should not have been tried and/or convicted of any criminal offence or misdemeanor. They would also not have been subject to any disciplinary action by university authorities. Candidates must be regular, full time students and NOT distance education students.

FINANCIAL ACCOUNTABILITY

The maximum a candidate can spend on campaigning is Rs 5,000. Within two weeks of the result, he/she will have to submit complete and audited accounts to the college/ university authorities, who will publish them within two days for examination by students.

CODE OF CONDUCT

No candidate will indulge in, nor abet, any activity, which may aggravate existing differences or cause tension between different castes and communities, religious or linguistic groups or groups of students. Criticism of other candidates will be confined to their policies and programmes, past record and work. Contestants will refrain from criticism of all aspects of private life not of other candidates. There will be no appeal to caste or communal feelings for votes and places of worship will not be used for electoral propaganda. Candidates will be prohibited from indulging in or abetting "corrupt practices" and offences like bribing, intimidation or impersonation. The candidates will be prohibited from canvassing within 100 meters of polling stations, holding public meetings 24 hours before the end poll and the transport and conveyance of voters to and from polling stations. No printed posters, pamphlets will be allowed and only hand-made material will be permitted at places notified by the authorities. No defacement or destruction of property of the college/university will be permitted.

Candidates doing so will be jointly and severally liable for that. Processions, public meetings etc. will not be permitted outside the campus and use of loudspeakers, vehicles and animals for canvassing will also be prohibited. The loser is always a part of the problem

The winner is always a part of an answer

The loser is always has an excuse.

The winner is always a plan of action

The loser is always says that's not my job

The winner says, "Let me do it for you"

The loser sees a problem in every answer.

The winner sees an answer in every problem

The loser says, "It may be possible".

But it is too difficult

The winner says, "It is difficult, But it is possible".

Be a winner !
